Higher Diploma in Computer Based Information Systems

2012 - 2013

National Institute of Business Management

Content of HDCBIS

1. Management Practices
2. Data Structures and Algorithms
3. Software Engineering
4. Computer Networks
5. Computer Architecture
6. Advanced Database Management Systems
7. Enterprise Application Development
8. Software Quality Assurance
9. Data Warehousing and Data Mining
10. Mobile Application Development
11. Business Statistics for Information Technology
12. Operational Research
13. Software Development Project
14. Industrial Training

Diploma in Computer System Design

2010 - 2011

National Institute of Business Management

Content of DCSD

1. Introduction to Computer Science
2. Quantitative Techniques for Computing
3. Programming Fundamentals
4. Computer Technology
5. Object Oriented Programming I
6. Database Management Systems
7. Computer Architecture and Networking
8. Windows Application Development
9. System Software
10. Web Application Development
11. Object Oriented Programming II
12. Software Engineering
13. Business Communication Skills
14. Computer System Development Project

GCE Advanced Level

2003 - 2006

A/Niwaththaka Chathiya M.V
in Maths Stream

GCE Ordinary Level

1992 - 2003

A/Niwaththaka Chathiya M.V
